

RELAY - 3

Student 1

$$36.3 + 13.7 = \square$$

Place your answer into the SQUARE on the answer sheet and pass the answer sheet to the next student.

RELAY - 3

Student 2

$$\square \times .5 + 75 = \bigcirc$$

Place your answer into the CIRCLE on the answer sheet and pass the answer sheet to the next student.

RELAY - 3

Student 3

$$\bigcirc + 5^2 = \triangle$$

Place your answer into the TRIANGLE on the answer sheet and pass the answer sheet to the next student.

RELAY - 3

Student 4

$$\triangle - 25 = \underline{\hspace{2cm}}$$

This is your final team answer. Write it on the answer sheet and pass the answer sheet to the checker.
